The Alumni Association of the New Jersey PTA is composed exclusively of Past New Jersey PTA Board Members.

The purpose of the Alumni Association is to:

2. Disseminate information regarding policies and programs.
3. Track and give reports re: PTA interests and issues and forward to the appropriate chairman and/or state officer.
4. Handle the resource room and act as librarians at the State Office.
5. Keep a PTA History update.
6. Be represented on the Building and Site Committee by the chairman or his/her representative.

Officers of the Alumni Association are a Chairman and a Secretary/Treasurer. The Chairman of the Alumni Association is a member-at-large of the NJPTA Board of Directors. The Annual Meeting of the Alumni Association is held in conjunction with the NJPTA annual Convention. Dues are \$1.00 per year.

The Alumni Association has also published a history of the last 100 years of the NJPTA. This beautifully compiled book is available from the state office \$25. This is a perfect gift for a new Life Member!
