for
New Jersey's Children

Are you concerned about New Jersey's children and their future? Do you want an opportunity to be a PTA supporter and receive information about the activities of the New Jersey PTA? If you are unable to join a local PTA, you may become an advocate for the children by joining New Jersey PTA's state unit, the Garden State PTA.

We invite you to join the New Jersey PTA in its endeavors to work for a closer relationship among the home, the school, the parents and the teachers. This membership gives you the opportunity to participate in a meaningful way in the education, health and welfare of children and youth.

Garden State PTA Membership includes:

- Membership in the New Jersey PTA and the National PTA
- Voting privileges at the NJPTA Convention upon payment of the registration fee
- The opportunity to attend the annual convention of the National PTA as a NJPTA delegate upon payment of the registration fee

You will receive:

- A year's subscription to the NJP-T (The Official Bulletin of the New Jersey PTA)
- A Call to the NJPTA Convention

The Immediate Past President will serve as the contact person for the Garden State PTA.
